

When will the volatility end?

Unfortunately no one knows the answer to this question. Even the experts can't answer this, however some views are that the volatility will continue into the near future.

Share markets have had many setbacks in the past, and when they are happening they always feel like they are the worst ever and that things will never recover. But markets have always recovered and continued their growth as the table below illustrates.

\$1,000 invested in Australian Shares

We can help!

If you have any questions about market volatility, your super or want to make an appointment to see a financial planner phone our Member Services team on 9911 3222 (regional callers 1300 300 820).
